01 LOGO FOLIO

02 POSTERS & THUMBNAILS

Project:
Gangs of SMIU, Film Poster

Client:
SMIU Arts Society

Goal:
Promote a stage/film series with a professional-grade poster that feels cinematic.

Approach:
Applied film-poster conventions with dramatic composition, layered textures, and balanced typography to create intrigue and polish.

Outcome:
Delivered a striking poster that elevated the project's visibility and positioned it as a credible production.

Project:
UNDERDAWG Thumbnail Design

Client:
Ibte (Rapper)

Goal:
Provide a bold, recognizable thumbnail to promote a track on digital platforms.

Approach:
Focused on simple but impactful elements, using strong background visuals to give space for the artist's presence and name.

Project:
Saucy — Chrome Typography Design

Client:
Qalamdaan Records (Track: Saucy)

Goal:
Create a bold, iconic visual identity for the track, with an instantly recognizable look that feels premium and edgy.

Approach:
I designed a custom metallic typography treatment for the word SAUCY, drawing from gothic influences but giving it a sleek polish.

Project:
Thumbnail Design

Client:
Qalamdaan Records-***Track Saucy***

Goal:
Develop a standout thumbnail that represented the track's brand while experimenting with different visual energies.

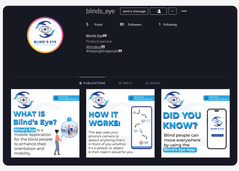

Approach:
Designed two contrasting options: one with a bold, dark, high-contrast style (black version) and another with a clean, bright, crisp aesthetic (white version). Both maintained strong typography and clear readability at small sizes.

Outcome:
Presented as versatile branding directions, showcasing range in tone while ensuring clickability and recognition on digital platforms.
